

REU in Nanotechnology at UMass Amherst

<http://www.umass.edu/massnanotech/SURE.htm>

If you want to explore the field of nanotechnology and get a head start on an exciting career, then apply today for the Summer Undergraduate Research Experience (SURE) REU Program in Nanotechnology at UMass Amherst!

May 28 - Aug 4, 2012

Competitive stipend and free housing and travel!

REU Projects in:

Chemical Engineering

Chemistry

Electrical & Computer Eng.

Mechanical & Industrial Eng.

Physics

Polymer Science & Eng.

The SURE REU program is sponsored by the National Science Foundation and the NSF Center for Hierarchical Manufacturing (CMMI-1025020)
